

Photo Workshop Dates:

Steve Gettle will host a different presentation at each workshop.

October 22, 2011 - Macro Photography

This presentation will cover the unique world of Macro Photography, including special techniques to help with the technical challenge of this type of photography.

October 23, 2011 - Birds and Mammals

Learn about the challenging world of photographing the birds and mammals around us. Some of the topics covered will include where to find subjects and tips on getting closer by using baits and calls to attract subjects.

January 21, 2012 - Composition & Lighting

This mini-class will go beyond the basics of the composition and talk about how to use balance, symmetry, and visual harmony to make your images sing. Also covered will be lighting.

January 22, 2012 - "Nature Through the Seasons"

Take a journey through the four seasons with Steve, the journey begins at sunrise on a summer's morning and takes the viewer through the four seasons with hundreds of Steve's images set to music.

All proceeds benefit our Wildlife Program.

HCNC takes in over 2,000 orphaned and/or injured animals each year for release back into the wild. HCNC also exhibits permanently injured wildlife in our Wild Wonders Wildlife Park to promote conservation through education.

Additional donations of money or supplies are greatly appreciated. Call for a copy of our wish list.

Photography Workshop

Photographers of all skill levels are welcome!

Photo Opportunities:

You will have the opportunity to photograph birds-of-prey in a beautiful natural setting. The birds are tethered at the edge of a large field, with a great deal of attention given to props, perches and backgrounds. The workshop is under the direction of Steve Gettle, a nationally known, well published, professional nature photographer. Steve donates his time and knowledge of the fine art of nature photography to benefit the participants.

Each workshop will last four - five hours and will include a great lunch! Arrive at 11:00 am for an hour long presentation and discussion session with Steve. Photographers of all skill levels are welcome, but please have working knowledge of your equipment.

What to bring:

- **A 35mm SLR or Digital Camera**
- **A stable tri-pod that reaches to eye level**
- **Extra camera batteries**
- **DRESS FOR THE WEATHER!!**

Cancellation Policy:

Sold out shoots have forced us to institute a cancellation policy. There will be a \$7.00 charge to cover the cost of food prepared unless we are notified 48 hours in advance. Refunds will be assessed a \$3.00 office fee. Emergency situations will be handled on an individual basis.

The mission of the Howell Conference & Nature Center is to provide opportunities for mental, physical and spiritual growth designed to enhance our relationship with God, nature and our brothers and sisters throughout the world.
